**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was a longtime Comcast/Xfinity subscriber and then Sonic entered my market with Fiber internet access for \$40 cheaper and over 100x the speed for uncapped upload/download. Competition is good and Comcast provides sub-par service in the regions they have a monopoly in! We need more competition on all internet and cable markets!
